

**Kids In The Room** is a new-age educational escape room game concept catered to children 6 to 14, and their families. Founded by the master game designers of the largest escape room chain - *Sherlock Holmes* in South Korea, **Kids In The Room** is here in Singapore!

**Kids In The Room** is missioned to move children away from digital screens by immersing them in escape rooms with enchanting storylines, where they become the protagonists. Embedding educational contents together with the power of gamification, we empower our future generation with problem-solving skills: children can use their 5 senses to play, explore, and fall in love with the magic of the world. We enrich children's soft skills including creative and critical thinking, teamwork, communication and resilience; and at the same time enrich family bonds.

**Kids In The Room** is coming to you @ World Christmas Market Singapore!

This Christmas, we aim to gamify magical moments for families and their children to celebrate, connect and create lasting memories this joyous festive season. Exclusively curated for WCM, we are bringing two unique escape room experiences right to you!

Think you can solve **Santa Crisis** and **Snowbot Quest**?

## **Santa Crisis**

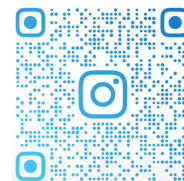

*Santa's workshop is in chaos! His map is missing, and presents are scattered. Little Elves, use your problem-solving skills to restore order, find the map, and help Santa deliver gifts on time as a team. Get ready to unbox surprises along the way!*

## **Snowbot Quest**

*Snowbot is in bad shape... Its winter wonderland is melting away due to climate change. Let's embark on an adventure together to help Snowbot combat global warming so we can continue to create magical memories on Earth!*

**Kids In The Room** is opening our flagship store in early 2025, so stay tuned to our Instagram on how to win the Golden Ticket for our VIP Sneak Preview!
